RE: Lorson Estates – Application Numbers SP-8-12-04 and P-8-3-04 and ZB-8-2-04

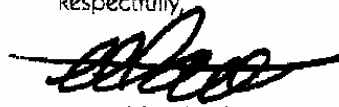

Dear Marcie,

We have revised the above referenced applications consistent with Town Council request to satisfy R-4 zoning. Currently, Town of Davie Planning and Zoning staff is reviewing the revised application for compliance with Town requirements.

As you know, we were anticipating being scheduled for the March 22nd Central Broward Water Control District ("Central Broward") for them to consider the pending applications for Lorson Estates. Although we submitted the materials timely, Central Broward staff was unable to review the materials and place us on the March 22nd agenda.

Subsequently, the April 12th Central Broward meeting has been postponed due to the Passover Holiday. We now anticipate being on the April 26th Central Broward meeting agenda. As such, we are requesting that this item be deferred to the Town Council's first meeting in May (May 3, 2006). If you are in agreement with our request to defer, please advise the neighbors, so that they do not unnecessarily appear at the April 19th Town Council meeting.

Respectfully,

Manuel Synalovski, AIA
President
